

Dear Dick and you  
We missed your good company  
after you left and when we  
got home I discovered I had  
forgotten to save the Cumber  
for dinner on Thanksgiving day  
and Mike came over in the  
afternoon on Friday and I warm  
ed up the food and that is  
when I delivered the Cumber.  
Mary had a headache so I put  
the heating pad around her  
neck and we started playing  
bridge. We played for eight  
hours. Dick or Mary usually  
are the first to quit after about  
two hours but this time I  
was the one who finally had  
to quit & was feeling a  
little weary. We got to bed  
about 1:30 and didn't get up  
until ten o'clock.

Mary and Mike rented a truck

today and moved to Olympia.

Dad and I are staying home  
tonight and are down town  
watching television.

We are looking about our  
trip and hope to see you  
in the spring. We will stop  
in Minneapolis a couple of days  
and then Fredericksburg for  
about three days and then would  
like to go down to Tennessee  
and Louisiana to see our old  
places and see down several  
friends down there who might  
be fun to see.

I hope you were able to  
rest a tadals, Jim and I hope  
the weather and weather will  
along fine. It was wonderful  
you could make this trip  
and we were so glad to see  
both of you. Jim & I hope you  
got over your upset stomach  
very well. We have just  
come in. They had a big  
truck so we were able to get

on our honeymoon over to  
the new apartment. Sunday  
they will somewhat clean  
the apt in Tukwila and then  
they can start getting settled  
in Olympia. They plan to stay  
at our house a lot during  
December since they will be  
stuck working in Seattle.

I hope school and work  
will be few to get back to.

Love,  
Mom.
